CANADIAN
MARKET ENTRY
SERVICES

**WE DO ALL THE WORK.
YOU DRIVE REVENUE FROM THE CANADIAN MARKET.**

Research, strategy & business development services for Canadian market entry.

WHAT IS IT?

Channelspark provides a set of market research, market entry planning & in-market tactical business development services built around your company's product or service & sector that outlines a detailed roadmap for entering the Canadian market.

HOW DOES IT HELP?

Canada is the world's 10th largest economy, where premium products are well received & doing business is fairly straight forward. But it's a vast country with many different cultural, demographic & logistical challenges that can cost time & money if not researched & planned for properly.

WHAT IS INCLUDED?

Channelspark delivers a Market Report & detailed Export Plan, including sector & competitive analysis, distribution strategy & recommended locations & actions. From there, Channelspark can act as your in-market business development resource to recruit & on-board partners, part-time, on demand.
